

April 15th, 2025

Dear LCAHA Board Members,

I am writing to express my intent to run for the position of President of the LCAHA. My name is Devin Byers, and I am 41 years old, originally from northern Alberta, Canada. I have a strong passion for the outdoors, enjoying activities such as hunting, fishing, camping, and side-by-side riding with my wife and daughter.

I currently serve as the head coach for the LCAHA Senior Mites and have been coaching hockey for the past three years, motivated by my daughter's involvement in the sport. My goal as President is to ensure that every child who enters our association has the best experience possible. I believe these young athletes represent the past, present, and future of our community.

Listening to the needs and desires of both the kids and their parents will be my top priority. I am committed to being honest, transparent, and trustworthy in all my dealings. Over the past three years, I have dedicated my free time to improving our rink and coaching the Learn-to-Play Hockey programs this season. Additionally, I have been involved with the By-law Committee and currently serve as the Maintenance Director for the LC Ice Rink.

I am excited about the opportunity to lead and support our hockey community. Thank you for considering my candidacy for the position of President.

Sincerely,

Devin Byers
