

DAYLE STAPELMANN

Registrar

I am a creative thinker, problem solver, and mother of three passionate hockey players. I'm excited to be an advocate for all our amazing kiddos!

Hello LCAHA Members,

I am writing to express my interest in joining the LCAHA Board of Directors as the Registrar. As a devoted member of our hockey community, mom of three avid hockey players and an advocate for the growth of youth sports, I am excited about the opportunity to contribute to the continued success and development of our rink.

I have been involved in hockey for the last five years and have had the privilege of participating in various roles, including fundraising, concessions coordinator, equipment manager, bylaws committee, score keeping, volunteering, etc. My passion for the sport, combined with my organizational and leadership skills, makes me a strong candidate for this position. I understand the importance of accurate registration, communication, and record-keeping in managing hockey programs effectively. I am committed to ensuring that our players, coaches, and families have a positive experience at the rink.

In addition to my experience with hockey, I have experience in data keeping, administration, customer service, teamwork, organizational and communication skills that would benefit the Board. I believe that my background in management will allow me to contribute effectively to the strategic direction and decision-making processes of the Board.

I am particularly interested in initiatives that promote inclusivity and accessibility within our programs, and I would like to focus on fostering a welcoming environment for all participants, regardless of their skill level or background. I believe that a strong community is built on the principles of teamwork and respect and am eager to work alongside other passionate individuals to achieve these goals.

Thank you for considering my application. I look forward to the possibility of discussing my interest further and exploring how I can contribute to the Board of Directors and make a positive impact at LCAHA. Let's keep the dream of hockey alive for all the kids who lace up their skates and for the future of the game we all love.

Much love,

Dayle Stapelmann
