

Letter of Intent

Laura Schumaker – Candidate for Treasurer, LCAHA

To the LCAHA Board and Membership,

I am writing to express my intent to run for the position of Treasurer with the Lewis Clark Amateur Hockey Association. While I have not previously served on the LCAHA board, I have been a dedicated member of the association for the past four years and have actively contributed as an assistant coach. My passion for the sport and for youth development runs deep—rooted in my own upbringing and strengthened by years of community involvement.

Born and raised in Canada, I grew up playing hockey and now live in Idaho with my husband and our two sons, ages 15 and 12. Our family has been involved with LCAHA since 2021, supporting our son Parker's love for the game. Professionally, I work for the Idaho Department of Health and Welfare and bring with me a strong background in financial accountability, stakeholder engagement, and public service.

In addition to my professional experience, I've served on the Webster Elementary PTA Board for the past nine years, holding positions including President, Vice President, and Treasurer. I've also led and participated in numerous fundraising efforts for both schools and sports programs. These roles have allowed me to develop the financial oversight, organizational leadership, and collaborative mindset necessary for a role like Treasurer.

My goal for the future of LCAHA is to help create a space that grows—not only to nurture the love of the game, but to expand access to more players, teams, and ice time. I believe in building a transparent picture of where we are today, and an ambitious, yet achievable, vision for where we can be in the next 10 years. That kind of progress takes dedication, collaboration, and a shared commitment that goes beyond a single season.

I would be honored to serve and contribute to the continued success and growth of LCAHA.

Thank you for your consideration,

Laura Schumaker

Candidate for Treasurer, LCAHA
